Orchard Workshops,
55 Doncaster Road
Kirk Sandall,
Doncaster,
South Yorkshire,
DN3 1HP

Darren Mason built and installed our electric gates in November 2000 and we have been extremely pleased with the high standard and quality workmanship he has provided.

We have had no major problems with the gates or mechanism supplied, and they have been serviced annually by Darren who has always been extremely competent and professional to deal with.

We would have no hesitation in recommending Darren (Orchard Workshops) for high quality workmanship and trustworthy service.

Mr & Mrs I Mackey
